WHAT OUR PARTNERS SAY

“ Since opening, we haven't had a single complaint, and we're one of the top stock buyers. Once the economy recovers, it will only get better.

📍 **Meiktila · Franchise outlet**

“ Within months of opening we were one of the top stock buyers. For 3–4 months the roads were closed and transport cost 2–3 times more, but our customers kept supporting us. We're still selling well, even in tough times.

📍 **Lashio · Franchise outlet**

“ The shops we supply keep coming back to order from us. Regular orders are steady, and the potato corndog is a favourite.

📍 **Taungoo · Wholesaler**

“ Our burgers sell about 30 a day, and customers love the snacks.

📍 **Nyaunglebin · Wholesaler**

🚚 Franchisees outside Yangon pay the **delivery fee** for the food cart and goods.

🎓 **In-person training in Yangon:** a **50,000 Ks** fee covers the food and materials used for training. Up to **2 people**; each extra person is 20,000 Ks.
